

Lake Pointe Estates Homeowners Association Rules Summary

Lake Pointe Estates Homeowners Association was established with a few rules intended to promote harmony and promote high property values. These rules are part of the deed restriction for each lot and are legally binding on all owners of the Lake Pointe Subdivision.

The following is intended to be a summary of the rules as further outlined in the Subdivision Declaration of Restrictions and Covenants (R & Cs) and Bylaws. Owners are encouraged to review the full R & Cs and Bylaws which are the complete and legal Association documents that can be found on our website at: <https://www.lakepointeestates.com/association-documents>

- 1) **Detached structures** (section 3C amendment 1) **such** as sheds, must be designed and detailed to match the design of the residence, including windows, door style, roof pitch, siding and colors. Detached structures must be preapproved by the architectural control committee.
